

Make a beautiful dragonfly craft using clothespins and pipe cleaners! It's a great spring craft idea for kids to make. They can choose any colors that they want as well.

Materials Needed:

2 Pipe cleaners

Clothespin

2 googly eyes

Paint

Glue

Start by painting stripes on their clothespins. Put dots of glue on the front and stick on the googly eyes. Take a pipe cleaner and bend both edges to the middle and twist. Once you have two (pictured aboved) criss-cross them and put them inside the clothespin. You can use hot glue to secure it, otherwise they are fine!
